

Product ID **PLT/O300 Series**

PAS 68 Steel Planter Range

Description

Townscape HVM Steel Planter Range Planter. A Premium range planter made of Mild Steel (powder coated finish) or Corten. The Planter will be filled with 3no. Townscape Bollards (Supplied). Galvanised mild steel planter and provision for a water reservoir and overflow drainage. All Townscape Counter Terror Bollards are crash tested.

Installation

Fit PAS 68 elements to specialist instructions . Lift planter into position. Bolt planter to surface. Once positioning is correct lower liner over the PAS 68 elements into the planter. If required ensure below surface drainage immediately adjacent to PAS 68 Elements. Fit filter membrane to planter liner. Add 150mm of pea shingle to the bottom of the liner. Add additional water reservoir if needed. Plant the liner using the specified medium and plants from the horticultural specialist. Ensure proper drainage underneath any surface mounted planters, e.g holes through the surface material deep enough to reach a permeable material layer to allow water to percolate away.

PLT/03401 RAL7013
