

Product ID **PLT/O142**

Description

Townscape **Corten** Planter. A Standard range flat bottom Corten planter in a powder coated finish. Optional Galvanised liner.

Installation

Surface should be flat . Lift planter into position. Place into the base of the liner Terram 1000 or equivalent filter membrane. Add 150mm of pea shingle to the bottom of the liner. Add additional water reservoir if needed. Plant using the specified medium and plant from the horticultural specialist. Ensure proper drainage underneath any surface mounted planters, e.g holes through the surface material deep enough to reach a permeable material layer to allow water to percolate away.
