### Description

Wessex Mild Steel Bench - Zinc Plated Polyester Powder Coated Finish in a Standard Range Colour - With Iroko Hardwood Timber Slats.

The ends are plasma cut with substantial supporting members for the heavy duty Iroko timber slats. The top and leading edges have a tubular steel section to give a smooth line. The unit is mounted on two closed top tubular legs set at 1200mm centres, each with three distinctive machined grooves to create a design feature.

At the point of ordering please confirm the required fixing arrangement (See Below) and Colour (Refer to colour chart)
